The international doctoral programme will be jointly offered by university institutions internationally known for their academic excellence and holders of the prestigious accreditation: University Ljubljana, Faculty of Education, International University Burch Sarajevo, Faculty of Education & Humanities, University of Mostar and University North, Varaždin. All partner universities are long-established high ranked universities entitled to award doctoral and post doctoral degrees and qualifications.

Academic Degree

After the successful completion of all exams and programme requirements, doctoral students are awarded the internationally recognised highest academic degree on behalf of all partner universities.

The International Cooperative Cross-Border Interdisciplinary Doctoral Programme in Educational & Communication Sciences was submitted to the Agency for Quality Assurance and Accreditation Austria (AQ) in accordance with § 27 para. 1 and registered by the AQ in accordance with § 27 para. 6 HS-QSG. The registration of the programme in accordance with § 27 para. 6 HS-QSG does not ascertain equivalence with Austrian study programmes and similar Austrian academic degrees. Graduates awarded with an academic degree from Croatia, Slovenia and Bosnia and Herzegovina are entitled to use it in accordance with § 88 para. 1 of the 2002 law governing universities. The academic degrees jointly awarded by the participating universities are therefore recognised foreign degrees in Austria and may be used in official documents in accordance with § 88 para. 1a of the 2002 law governing universities.

Consortium members

Fachhochschule Burgenland

UNIVERSITY OF APPLIED SCIENCES BURGENLAND. UNITING THE EXCEPTIONAL.

The University of Applied Sciences Burgenland's (FH Burgenland) two campuses in Eisenstadt and Pinkafeld offer bachelor and master programmes in five departments:

- **International Business Relations (focusing on Central and Eastern Europe)**
- **Information Technology & Information Management**
- **Social Work**
- **Energy & Environmental Management**
- **Health**

Exceptional Growth

A unique community of teaching staff (from the respective fields) accompanies and supports leaders of the future along their path to success – a path characterized by interculturalism, regionality, research and innovation.

A Lifelong Network

More than 6,500 students have graduated from FH Burgenland; upon graduation they have received a diploma authorizing them to bear an academic title as well as a positive outlook for their future career.

The Campus in Eisenstadt

With approximately 10,000 square meters of space, the Eisenstadt campus offers both auditoriums and classrooms of various sizes, plus a well-stocked library to facilitate studies. On-campus instruction is further enhanced by research in the media lab or in the market research labs. Common areas allow for short breaks and interaction with other students. A dormitory and cafeteria are located on the campus; parking is located in front of the university building. A fitness studio, stores and restaurants are within walking distance.
