

How to arrive

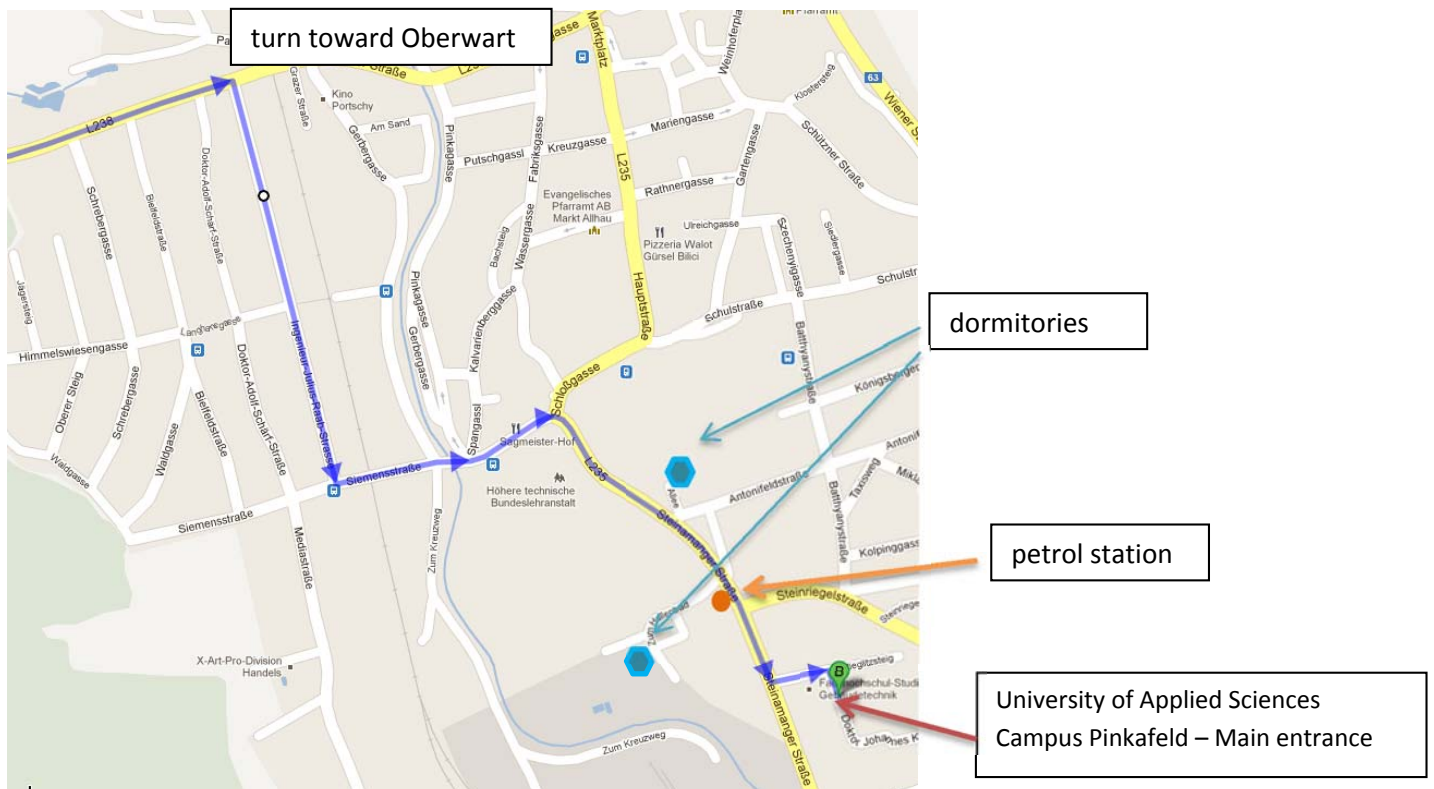

By car

Unfortunately, our university is not very well communicated by public transport, so the easiest way would be if you did car sharing with your fellow students. Here is a description

Take Exit Pinkafeld - km 100 (either you come from Graz or from Vienna)

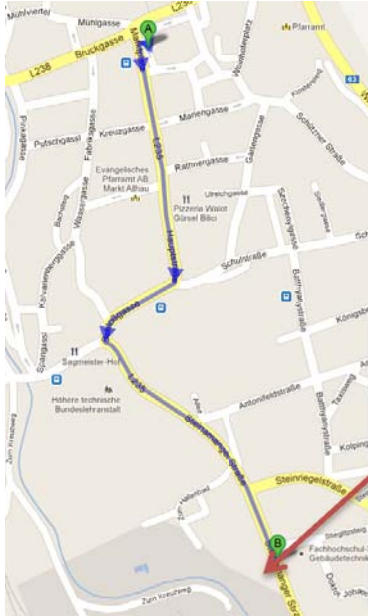

After the exit, you go up the hill and then down. You'll reach the city (City sign *Pinkafeld*), follow the road downhill. You leave OBI on the left behind and BEFORE you reach the railways, you'll turn right (you can see the rails or at least the signs from there). There is also a sign indicating *Oberwart*. If you miss it, do not worry, just take the next right after the rails. This road follows the river.

How to arrive

Using public transport: from Vienna

Once you reach Pinkafeld, this is the way to reach the university (a 15-minute-walk):

There is a bus stop here as well, ask the driver if he lets you out there (Stop: FH).
